

letter-writers Dennis Sleight and Rev John Rice want to be run by the trust for benefit of the people of Derby

ge amount of time and anxious to preserve St people of Derby. enrich the lives of its to live in the county, of adult education in a ting open to all. in June 2004, council expressed support for it and the retention of use with adult educa-

should secure the funding necessary to make the building safe and convert to educational use. This is the trust's intention, as I understand it.

We need the support of people who can look beyond our immediate difficulties and be constant in striving for a Derby that demonstrates its understanding of the importance of its environment for the quality of life enjoyed by its people.

ial circumstances. If referring to a letter or article, please state the m.

ANTI-CYCLING: I hope the (my) taxpayers' money is not wasted on this £3m scheme to encourage more people to take up cycling in the city.

Have you ever seen a cyclist dismount at a "cyclist dismount" sign? When the paint stops on a road they either continue or move to the pavement.

In fact, most cyclists just ride where they want, overtaking cars on whichever side suits them and treating pedestrians with contempt.

Let's save some money!

**John Kearney,
Spondon.**

Cash plea for victims

THE Derby branch of the Indian Workers Association sends condolences to the victims of this latest natural disaster across the Indian sub-continent.

We are witnessing the horrific scenes of destruction, suffering and loss of life. It is also evident that like any other major disasters natural or man-made, it is the poor people who suffer the most.

The Indian Workers Association appeals to all the communities in UK to raise funds to support the victims of this tragedy. We urge the governments in Pakistan and in India to channel their energies and resources to alleviate the suffering of the victims.

We are requesting our members and the wider community to donate generously. We have contracts with many organisations and individuals in Pakistan and India to ensure that whatever we raise goes to the people who needs support the most.

We welcome donations, please make cheques payable to Indian Workers Association and send it to: Shaheed Bhagat Singh Welfare Centre, Upperdale Road, Derby, DE23 8BH.

All the funds collected will be handed over to Cllr Fareed Husain. For further information contact: Shagara Gahunia on 07766923709 or Khushdev Johal on 07792911896
